

WEEKDAY
WEDDINGS:
the benefits

THE SPRINGS

WEDDINGS & EVENTS

01. VENUES HAVE MORE AVAILABILITY ON WEEKDAYS

More availability means getting to choose the time of year that you ACTUALLY want - not picking the next best thing because your dream season was sold out.

02. WEEKDAY DATES ARE LESS EXPENSIVE

Hosting your wedding on a weekday can help you save thousands of dollars in the long run! At The Springs, our weekday dates are about 3-4k cheaper than a Friday or Saturday! You'll be able to free up thousands of dollars in your budget to allocate to other things! This will allow you to splurge on the things that matter most to you or you can put that money back in the bank!

03. AVAILABILITY FOR VENDORS TOO!

Just like wedding venues get booked on weekends, so do a lot of other amazing vendors! If you choose to book a weekend date, you won't have to worry about your DJ being booked for your event. You might even be able to score other great savings or perks with a less demanded date.

04. MORE GUESTS WILL COME THAN YOU THINK

If you plan a weekday wedding far enough in advance, your guests will have plenty of time to make arrangements. Plus, who doesn't love an excuse to take off of work? If you book it, they'll be there.

05. CONSIDER WEEKDAY HOLIDAYS OR CERTAIN TIMES OF YEAR

You can always take advantage of weekday holidays like Memorial Day or Labor Day to plan around! Or depending on when they fall, holidays like Valentine's Day, Halloween or the 4th of July can be a fun occasion to plan around.

06. HOTELS AND AIRFARE ARE CHEAPER

If you have a lot of out-of-town family, a great benefit for them would be cheaper hotels and air-fare! They can even have the option to make a whole vacation out of your wedding (that's easier on the wallet!)
